1975 ANNUAL MEETING
Salt Lake City, Utah
June 15-18, 1975

TO: APPA MEMBERS

Dear Colleague:

In fulfilling its obligations to perform a staffing and operations study every two years, the Research and Survey Committee is attempting to make this study more helpful and meaningful to you by modifying the survey form and by getting the results published early in the fiscal year.

You will notice that we have categorized staff reporting to follow the "Classification of Accounts" definition as closely as possible. If there is an uncertainty, refer to the account classification number noted on the survey for each category.

To make the survey meaningful please participate, be accurate, and return the completed forms promptly.

To achieve our goal of early publication, we are requesting the questionnaire be returned by November 11, 1974.

Thanking you for your participation,

APPA Research and Survey Committee
P. G. Rector, Chairman
